Handlebars　　Jennie, Dua Lipa　　採譜：ＬＥＬＥ

```
          |G                  |A                    |D          |Bm7
I trip and fall in love just like a Tuesday drunk I always go all in, all in, all in
          |G                  |A                    |D              |Bm7
Over the handlebars, hittin' the ground so hard If I'm alone, fallin', fallin', fallin'
                              |G        |Bm7                |Em7        |Bm7
We ain't gotta talk about it  Mercy     Why is it love is never kind to me?
                                  |G          |Bm7
I heard that fools rush in, and, yeah, that's me It burns me time and time again
|Em7                      |Bm7
 So why am I still fixing for this frying pan? (Oh)
          |G                                          |A
Thinkin', I wonder what you're doin' for tonight and forever (oh)
|D                                        |Bm7
I could be the rest of your life or whatever (ooh-ooh)
    |G                                          |A
My lips and your lips, we could press them together
       |D                             |Bm7
I don't ever think twice (twice) And, baby, that's why
-------------------------------------------------------------------------------
 ★        |G                  |A                    |D              |Bm7
I trip and fall in love just like a Tuesday drunk I always go all in, all in, all in
          |G                  |A                    |D              |Bm7
Over the handlebars, hittin' the ground so hard If I'm alone, fallin', fallin', fallin'
-------------------------------------------------------------------------------
1.        |G                            |A                                |D
Another round, another drink I try to stop, but I can't think About anything else but you
                              |Bm7
And I'm a little too buzzed on your love to play it cute
          |G                            |A
A single kiss, I lost my mind For seven days and seven nights
                              |D                                  |Bm7
Can't eat, sleep, baby, it's true Tryna bite my lip, I'm probably gonna slip
And say some crazy shit to you
|G                                          |A
I wonder what you're doin' for tonight and forever (oh)
       |D                             |Bm7
I don't ever think twice (twice) And, baby, that's why ★
-------------------------------------------------------------------------------
2.                        |G                  |A
We ain't gotta talk about it Na-na-na-na-na-na-na (yeah)
                              |D                  |Bm7
We ain't gotta talk about it Na-na-na-na-na-na-na  We ain't gotta talk about it
```
